The castle's conveniently close to Edinburgh with plenty of complimentary car parking, making it a very smart choice indeed for your business meeting, conference or event.

Standing proud in its own parkland estate, there's plenty of space at Dalhousie to combine business with pleasure. We can even give your guests a taste of falconry or archery for the full castle experience, making yours a real meeting to remember. Or why not incorporate an al fresco break-out session, team building games or a spot of mindful meditation?

Discover the Dalhousie Difference

Take the inside outside for some fresh air and fresh thinking, weather permitting. With eleven acres to enjoy, there's plenty of space for clay-pigeon shooting, outdoor yoga, nature walks - whatever you fancy we'll do our best to accommodate it! Let your guests discover two of the most popular medieval sports with falconry and archery set in the beautiful grounds of Dalhousie Castle. Whether you wish to provide a relaxing treat for your guests or an exciting experience with team-based games, Dalhousie Castle Falconry Department can tailor your experience to suit perfectly.

Falconry

With over 40 years' experience in this noble sport, the team are always delighted to share the beauty of these majestic birds with hotel guests. Falconry demonstrations are 100% interactive with guests being encouraged to put the glove on and fly hawks, owls or even handle the formidable Tawny Eagle, Ziggy, if you can work up the courage.

Archery

Go for gold and try your hand at the ancient sport of kings in the surrounds of the castle falconry. Archery is practiced with recurve bows which are much easier and more enjoyable to use than the traditional longbow - and suitable for all ages and abilities. Choose to shoot at a variety of targets from the classic bullseye to tic-tac-toe or even balloons, under the guidance of experienced leaders.
